Reasons for Allowance

1.

Claims 10-17 have been previously indicated as allowed in the office action of May 18, 2006.

Claims 1-9, 18 and 19 are allowed for the reason the prior art does not teach an electronic switch that detect recesses and projections at a fixed position.

Funahashi does not teach an electronic sensor. Only a mechanical sensor is taught. The advantage of the electronic sensor is that it is used to control a fax operation according to paragraphs 39 and 52 of the written specification.

Funahashi does not provide a teaching of controlling a fax operation.

2.
